## Details

### Description

The T 10/1 eco!efficiency brings new levels of quality and value to the contract cleaner tub vacuum sector. With key features designed to keep purchase and maintenance costs low, the T 10/1 eco!efficiency offers the toughness, simplicity, performance and value contract cleaners demand. The T 10/1 eco!efficiency offers all the features of the standard T 10/1 Adv but with dramatically reduced noise and 40% lower energy consumption – without compromising daily cleaning performance.

---

### Features & Benefits

Large, round permanent main filter of washable nylon

Extremely strong and dense enough for vacuuming without a filter bag.

Service-friendly

The cord can be replaced quickly and easily by loosening two screws.

---

## Accessories
