

Product Data Sheet

BR 30/4 C

Professional small area scrubber drier.

Kärcher's BR 30/4 C scrubber drier eliminates the hassle and safety risks associated with floor mopping in public areas. As easy to use as an upright vacuum cleaner, the 30/4 thoroughly cleans and dries floors in a single pass, and can also be used for deep cleaning. Using a BR 30/4 C is faster, easier, more hygienic and safer for operators and public than mopping, leaving floors instantly clean, safe and usable. The BR 30/4 C is designed to be safe and hygienic for operators. Its four litre clean and dirty water tanks are fully removable and easy to clean and refill, while the roller brush and squeegees can be removed and replaced without tools.

Features and Benefits:

- Hygienic - no direct contact with dirty water
- As easy to operate as a vacuum cleaner
- Instant drying - no wet floor hazard
- Continuous use of clean water - no reusing of dirty mop bucket water
- Continuous brush pressure and high brush speed ensure a fast and even finish
- High suction power leaves floors clean and dry in a single pass
- Vacuum-off facility for deep scrubbing
- Fresh and dirty water tanks are easy to remove and clean
- The suction hose is easy to clean from the specially designed access point
