

Specification Sheet

BR/BD 40/25 C Bp

Compact, Walk-Behind Scrubber Drier.

The BR/BD 40/25 is a compact and easy to operate scrubber drier available in both roller (BR) or disc brush (BD) versions, mains or battery powered. The tank-in-tank system for the fresh and waste water enhances the machine stability and reduces the dimensions of the unit. Maintenance and service friendly, all components are easily accessible and can be replaced in seconds. Ideal for use on all hard floor surfaces it is perfect for routine cleaning, maintenance cleaning and polishing. A single knob controls all machine functions (EASY) making the machine very simple to use.

- **EASY (Ergonomic Application SYstem)**

Select the appropriate programme with a single knob self explanatory symbol system.

- A foot operated wheel is lowered for improved mobility between cleaning locations, also avoiding flat spotting of brushes.
- The transparent drain hose shows the operator at a glance the water levels in the fresh water tank.
- The push handle folds down for space saving storage and easy transportation.
- Ideal for maintenance cleaning and polishing.
- Roller brush (BR) on disc brush (BD) available.
